SYTA STUDENT & YOUTH TRAVEL ASSOCIATION

MEET SYTA—THE COMMUNITY DEDICATED TO PROVIDING LIFE ENHANCING EXPERIENCES FOR STUDENTS AND YOUTH.

For 30 years, the Student & Youth Travel Association has been the nonprofit trade association for the companies that make student travel happen. We believe travel changes young lives — and the educators who make those trips possible deserve partners they can count on. That's why SYTA brings the industry together around education, professional standards, and a shared commitment to doing student travel well.

LOOK FOR THE CSTO — CERTIFICATION THAT WORKS FOR YOU

Administrators want documentation. Parents want reassurance. The Certified Student Travel Organization (CSTO) designation gives you both: companies that earn it have demonstrated, through independent review, that their written policies and procedures meet published industry standards for safety planning, risk management, and consumer protection.

For you, that means a vetted starting point when comparing companies, and a clear, documented answer when anyone asks how you chose your travel partner. Every company remains responsible for its own operations — but when you see the CSTO mark, you know this company opened its practices to independent review and met the standard.

CSTO **Travel changes students' lives. Choose partners who take that seriously.**
Look for the CSTO designation. Learn more at syta.org.
