**WHAT IS SYTA?** | SYTA is the premier professional trade association that promotes student and youth travel worldwide. Our Members are companies that work with teachers and educators to provide safe educational travel for students.

**OUR MISSION** | SYTA is the premier association of businesses dedicated to providing life-enhancing travel experiences to students and young people. We instill confidence in our travelers by establishing quality and safety standards for travel providers, and we empower our members through advocacy, education, training and networking opportunities.

**SYTA'S SAFETY COMMITMENT** | SYTA has undergone a significant expansion of its student travel safety program, including the establishment of new comprehensive standards for student travel operators and suppliers and the creation of a certification program for individuals and companies specializing in student travel.

In 2020, SYTA launched the Certified Student Travel Organization certification and re-established the requirements for the Certified Student Travel Professional certification. CSTO & CSTP provide a framework for student travel organizations and their staff to learn, train, and guide their clients—in thorough safety standards and protocols. SYTA members actively participate in health, safety and risk management measures that are in place for student travel.

**CENTER FOR STUDENT TRAVEL SAFETY** | SYTA's Center for Student Travel Safety leads the industry in the enhancement and elevation of health and safety protocols and crisis readiness for student group travel experiences. The Center provides access to practical training, shared resources and best practices for members, while maintaining involvement in legislation aimed at improving student travel safety worldwide. Certification programs are administered through the Center for Student Travel Safety. ***Look for the CSTO logo next to companies that have received certification as a Certified Student Travel Organization. This certification is awarded to companies that have met or exceeded the minimum of 25 safety standards established by the Center and SYTA.***

**SAFETY RESOURCE CENTER** | SYTA believes student travel safety is a partnership between student travel companies and their clients. To that end, SYTA provides education, research, and resources to educators through Teach & Travel magazine and e-newsletters, the **Safety Resource Center on SYTA.org and teachtravel.org.**

**STUDENT TRAVEL RESEARCH** | The Student Travel Business Barometer is the only annual quantitative data resource of its kind for domestic and international student group travel. This comprehensive research report includes trend data for previous years and provides forecast data for the coming years. The Student Travel Business Barometer Annual Report 2023 provides an analysis of trends and industry growth from 2019 through 2023. Survey respondents include both international and domestic tour operators. We will continue to work with our international partners to provide global insights and data. **[Research@syta.org](mailto:Research@syta.org)**
